**Service Plan Terms & Conditions:** Service Plans are not required but are offered as a benefit to our oil customers. Platinum, Gold, Silver and Water Heater plans are for oil fired equipment only. Plans are for single family residential homes in good standing, on automatic delivery or the plan(s) will end without notice or refunds. Each Plan covers 1 piece of equipment and multiple plans may be needed to cover all the equipment in your home. Discounted parts and labor costs will be billed after the service is performed. Pre-existing problems, flooding, frozen pipes, frozen oil tanks, electrical, plumbing, customer caused problems, inaccessible equipment, or natural disaster caused problems are not covered. To ensure an inadvertent lapse in coverage eligible plans will be renewed annually. Customer agrees to pay all fees, interest, legal bills and collection costs for returned payments and past due balances. Plan(s) must be paid prior to coverage commencing. Plans and pricing as of 01/01/2020.
